'One NASA' surveys available online for Marshall employees

Marshall team members can fill out a "One NASA" survey online to help compile comments and ideas on what One NASA should be and how to implement it. All input is anonymous. Go to <http://www.supersurvey.com/cgi-bin/surveys/s11421.pl> to complete the survey. To learn more about One NASA, go to <http://www.onenasa.nasa.gov>.

'Freedom to Manage' in place for employee suggestions

As outlined by Administrator Sean O'Keefe, NASA has begun the "Freedom to Manage" program to remove barriers to effectiveness and efficiency present in the Agency. Impediments of any kind are open to examination, analysis and possible elimination in this program. A Web site where employees may suggest ideas to eliminate barriers is at <http://f2m.nasa.gov/> or go to the link on "Inside Marshall."
